Capstan Atlantic: Internal Auditor

Looking for a person to perform internal audits at Capstan Atlantic in Wrentham, MA. A retired quality professional might be a good candidate.

The person should be trained and have experience auditing the following quality systems: ISO 9001:2008 and ISO/TS 16949:2009.

They should be willing to learn and to be trained to audit the updated standards of ISO 9001:2015 and IATF 16949:2016.

Audit all customer oriented processes including manufacturing and all supporting activities.

Should have the ability to plan and conduct internal audit and report findings to management.

Will work with the Quality Manager and the Internal Audit Team and report to the Quality Manager.

Estimated workload 20 . 32 hours per month. Flexible schedule to accommodate the auditor.

Best Regards,

David Pendrak | Quality Manager
